**DIRECTIONS FOR USE:**

Beef, Lactating and Non-Lactating dairy cattle. For the control of gnats, horn flies, face flies and black flies. Apply Can-Vet ready to use Back Rubbing Solution to back rubbing device. One device should be continuously available for each 35 – 45 head of cattle. Refill application every 2 to 3 weeks. Do not store or use near open flame. If irritation appears discontinue use.

**PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN.** Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with skin, eyes and clothing. Wash thoroughly with soap and water after handling and before eating or smoking. Do not breathe spray mist. If irritation appears, discontinue usage. Wash contaminated clothing before reuse. Do not contaminate feed, food or water. Contents toxic to fish and birds. Store in original container away from feed and food. Use only when milk room is NOT in operation. Cover or remove all milk and milking implements before spraying. After spraying, wash all surfaces that may contact milk and rinse thoroughly with potable water before resuming operations. This product contains a petroleum distillate at 99% (proportion by weight) which is moderately to highly toxic to aquatic organisms. Avoid contamination of aquatic systems during application. Do not contaminate these systems through direct application. Dispose of waste or cleaning equipment.

**DISPOSAL:** Triple- or pressure-rinse the empty container. Add the rinsings to the spray mixture in the tank. Follow provincial instructions for any required additional cleaning of the container prior to its disposal. Make the empty container unsuitable for further use. Dispose of the container in accordance with provincial requirements. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

**FIRST AID:** If on skin, wash thoroughly with soap and water. If in eyes, flush with clear water for 15 minutes; get medical attention.

Product Contains Petroleum Distillate. If swallowed DO NOT induce vomiting. Call physician immediately or Poison Control Center. Take container, label or product name and Pest Control Registration Number with you when seeking medical attention.

**NOTICE TO BUYER:** Seller's Guarantee Shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

**NOTICE TO USER:** This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
